COMPUTER SCIENCE DEPARTMENT
SYNTHESIS PROJECT PROPOSAL FORM

(Synthesis Proposal forms are due no later than the last day of classes in the semester before the portfolio is submitted.)

Date: **February 2, 2005**

Name of student: Sally Student

Title of Project: What's in a name? The Jingleheimer-Schmidt Phenomena

Description of Project:

We consider the Jingleheimer-Schmidt Phenomena–the fact that people with complex, rhythmic names are more often greeted by passers-by. We focus specifically on the "Da" corollary, which states that humans prefer to follow long names with a peculiar "da" speech pattern, sung loudly and repeatedly.
